Vancouver, BC

Interaction design student at SFU designing mobile and service experiences from research to tested prototype, shaped by years of frontline retail operations. Seeking a product or UX design internship.

01 / PROJECTS

Costco CarePath · Healthcare app — 2026

Concept for Costco Pharmacy · 6-person team, SFU

- Designed a medication companion that keeps members on long-term prescriptions supported between visits, linking symptoms logged at home to their pharmacist.
- Led the home dashboard and symptom-logging flow, and built the app's design system.
- Tested with 5 long-term medication users, Gen Z to 55+, and redesigned three flows from the findings.

MEC Connect · Events app — 2025

Real client: Mountain Equipment Company · 6-person team, SFU

- Designed an events app with MEC to rebuild community after five years of foreign ownership.
- Turned interviews with MEC's product team, 6 staff and 2 customers into personas and journey maps.
- Helped run a co-design workshop with MEC staff that shaped the rewards and community features.

02 / EXPERIENCE

Assistant Supervisor — Sept 2023 – July 2025

World Duty Free Group · Vancouver International Airport (YVR)

- Led a team of 10+ serving thousands of international travellers a day; ran daily operations and scheduling.
- Analyzed shopper behaviour and trends to inform merchandising and product decisions.
- Trained associates and owned opening, closing and compliance routines to improve service and workflow.

Sales Associate — Mar 2023 – Sept 2023

World Duty Free Group · Vancouver International Airport (YVR)

- Learned what travellers needed and recommended products to match; kept cash handling and audits accurate.
- Documented incidents and maintenance issues so staff and supervisors could resolve them.

Floor Supervisor — Feb 2022 – Sept 2022

Extreme Air Park · Richmond, BC

- Managed 100+ reservations to keep weekly operations running; resolved customer issues, enforced safety and onboarded new staff.

03 / EDUCATION

Bachelor of Arts, Interactive Arts & Technology — Sept 2021 – Present

Simon Fraser University · Concentration in Design Interactions

04 / SKILLS

Design — Figma · Prototyping · UX research · Usability testing · Design systems · Journey mapping · Adobe Creative Suite · HTML / CSS / JS
